SIR,

With reference to Government order No. 10132/Ml.255-30-3 dated 23rd June 1931, sanctioning the strength of the newly constituted Municipal Council, Sringeri, I have the honor to state that the new Agent Mr. N.S. Nanjundaiah, interviewed me recently and represented that it is not desirable to have an elected Vice-President for some time to come and that it is desirable in the interests of the Municipality that the Agent and the Deputy Amildar, Sringeri, should continue to be President and Vice-president respectively as at present.

2. He further proposed that in place of the Head Master, A.V.School, appointed as an ex-officio member, the Senior Public Works Officer of the Jahgir, may be appointed as the services of the latter are considered to be more useful than those of the former by the Board in their resolution dated the 15th July 1931.

3. I therefore recommend that the above proposals of the Agent may be kindly sanctioned by Government and the same arranged to be published in the Mysore Gazette.

4. Copy of the resolution of the Municipal Board dated the 15th July 1931 is herein enclosed for the information of Government.

I have the honor to be,
Sir,

SIR,

OFFICE OF THE AGENT,
SRINGERI MUTT,
and President, Sringeri Municipa
*Dated, Sringeri,* 22nd October *193* 1

Dear Mr. Kuppuswamiengar,

I am in due receipt of your D. O. letter, No. A 3. - 1852-28 dated 2nd instant, informing me that Government would consider the question of appointing me as the President of the Sringeri Municipality if I agreed to resign my powers of supervision, etc., provided for in the rules recently framed by Government in respect of the Sringeri Municipal Council, I should like to mention that His Holiness the Jagadguru Mahaswamigalavaru, the Jahgirdar, is of opinion that I should not agree to resign these powers and that if, in the interests of the Municipal Council which has to be newly constituted under the Municipal Regulation, Government would choose to appoint me as President without prejudice to my retaining the powers of supervision as Agent, His Holiness would be agreeable to place my services at the disposal of the Municipality as a lot of spade work has to be done before it can function satisfactorily . I also mentioned to you the advisability of appointing me as President, in the interests of the -- Municipality and possible risk of controversies and conflicts that may arise now and then on important occasions concerning distinguished personalities as has been sadly experienced by Government authorities in respect of Local bodies. . I am also to state that there does not appear to be any inconsistency or inconvenience by appointing me as President as it is a matter of common knowledge that Deputy Commissioners of Districts who possess powers of supervision and control under the Municipal Regulation were in the past filling the place of Municipal Presidents. Likewise, did they fill the place of District Board Presidents till recently. Even now I believe that in Shimoga, the Deputy Commissioner who possesses these powers of supervision, etc., still continues to be the Municipal President. Hence, it

may be kindly noted that my services being placed at the disposal of the Municipality to serve as President was to avoid possible conflicts and delicate or ugly situations, at least until the Municipality was brought into a working order.

Finally, if I am to choose between being President and possessing merely the powers of supervision , I am decidedly in favour of -- retaining my powers of supervision and control as per rules recently framed by Government, in which case I will be able to devote all my time and energy to the services of His Holiness the Jagadguru.

Yours sincerely,

To

C. S. Kuppuswamiengar, Esq.,

Deputy Commissioner, Kadur District,
